G10 CARGO VAN

7 YEAR
200,000KM

LDV WARRANTY
ROADSIDE ASSIST & WOF*

Built with tradespeople in mind, the **LDV G10** delivers the value and performance you need. With 5.2m³ of cargo space, it's the perfect fit for electricians and other tradies who need to load up tools, gear, and equipment. Plus, it's packed with all the comforts to keep you going through the day – whether you're on the job or on the road.

HAVE IT YOUR WAY

Petrol or diesel? The G10 is available with different powertrains, so you can choose the best fit for your business needs.

The 2L Diesel turbo engine kick out 118kW of power and 375Nm of torque while the 2L petrol variant offers 160kW of power and 330Nm of torque – both pack a mighty punch on the road and won't leave you high and dry.

LOAD IT UP!

With 5.2m³ of cargo space, the G10 is built for the job. Dual sliding doors on each side, a rear lift tailgate, and an integrated step make loading gear and tools quick and easy – so you can get in, get out and get the job done faster.

Lock it into place with the tie-down points located on the floor and wheel arches. Rest easy knowing your precious cargo (van) is protected by the hard floor covering and rough lining that's fitted halfway up the interior.

10/10 ENTERTAINER

Your day doesn't have to be all work and no play, keep cool as you jam the aircon and turn up the tunes. The 7" display fitted in the dash, gives you access to radio, MP3 and Bluetooth, ideal for making and taking calls or playing DJ with your own playlist via your smartphone.

You can also access the rear camera from the centre screen display with park assistance for those tricky spots. Make the trip a cruisy one with cruise control (standard on the G10 Auto) and say goodbye to fumbling for keys with remote keyless entry and central locking.

SAFETY'S THE WORD!

Drive your business forward with confidence. Equipped with advanced safety features such as Roll Movement Intervention (RMI), Electronic Stability Control (ESC), and more. Safeguard your livelihood with the reliable G10.

CUSTOMISATION

Talk to us about colour choices, customisation, signwriting, parts and accessories – we'll see you right.

G10 CARGO VAN

Torque: 330Nm (petrol) OR 375Nm (diesel)

KEY FEATURES

- Apple CarPlay*
- Bluetooth Technology
- Rear camera
- Cruise Control

Disclaimer: Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to New Zealand towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with 10 litres of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar with wiring is fitted, and trailer is attached, parking sensors will be disabled.

*The warranty is valid for vehicles registered on or after 1 January 2025 and covers a period of 7 years or 200,000km (whichever comes first) for Internal Combustion Engine (ICE) powered vehicles or 7 years or 160,000km (whichever comes first) on Electric Vehicles (EVs), starting from the date of first registration. It covers manufacturing defects caused by issues such as design, assembly, or raw materials in covered parts but excludes routine maintenance, wear-and-tear items, and damage caused by misuse, accidents or unauthorised repairs. To maintain the warranty, the vehicle must be serviced as per the maintenance schedule set out in the Service & Warranty Booklet. Warranty claims require proof of purchase and service records. The initial Warrant of Fitness (WOF) is provided at vehicle registration, with subsequent annual inspections required from the 3rd year. This warranty covers the subsequent WOF inspections at years 3, 4, 5, 6, 7 at an LDV Authorised Service Centre. This warranty complies with local laws and does not limit or exclude your statutory rights under the Consumer Guarantees Act. For full details, visit <https://ldv.co.nz/warranty/>.
