eDELIVER 9 BIGGER

7 YEAR
160,000KM

LDV WARRANTY
ROADSIDE ASSIST & WOF*

Think bigger with the **eDeliver 9**. Its spacious design and impressive payload capacity make it a practical choice for your business. Plus, its electric powertrain can help reduce running costs. With large exterior panels, it's also a great canvas for mobile branding.

ROOM FOR MORE

Get more value out of each trip with added space and weight capacity.

eDELIVER 9	VOLUME	PAYLOAD
Big	9.66m ³	1,200kg*
Bigger	10.97m³	1,160kg*

The eDeliver 9 design has been carefully considered to maximise practicality, ensuring ease when loading or unloading cargo.

236° rear barn doors and dual side sliding doors paired with the low floor clearance and built-in rear step assist in accessibility making your life easier.

TECH HUB

Convert your 10.25" display into your smartphone complete with touch screen using Apple CarPlay®. Access calling, messaging, music and navigation just one tap away.

Easily turn your eDeliver 9 into a mobile office with space to set-up your laptop and flat white. USB ports mean you can hook up your devices and change them while you're on the go.

PRO-COMFORT

We understand many hours of your working day will be spent behind the wheel, so we've accommodated this with eight adjustments built into the driver's seat along with lumbar support and an armrest.

CUSTOMISATION

Talk to us about colour choices, customisation, signwriting, parts and accessories – we'll see you right.

- Eco and Power mode

KEY FEATURES

- Apple CarPlay*
- Rear Parking Sensors
- Reversing Camera
- Electronic Stability Program
- Warranty 7-Years/160,000km* (whichever occurs first)

Disclaimer: Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to New Zealand towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar with wiring is fitted, and trailer is attached, parking sensors will be disabled.

*The warranty is valid for vehicles registered on or after 1 January 2025 and covers a period of 7 years or 200,000km (whichever comes first) for Internal Combustion Engine (ICE) powered vehicles or 7 years or 160,000km (whichever comes first) on Electric Vehicles (EVs), starting from the date of first registration. It covers manufacturing defects caused by issues such as design, assembly, or raw materials in covered parts but excludes routine maintenance, wear-and-tear items, and damage caused by misuse, accidents or unauthorised repairs. To maintain the warranty, the vehicle must be serviced as per the maintenance schedule set out in the Service & Warranty Booklet. Warranty claims require proof of purchase and service records. The initial Warrant of Fitness (WOF) is provided at vehicle registration, with subsequent annual inspections required from the 3rd year. This warranty covers the subsequent WOF inspections at years 3, 4, 5, 6, 7 at an LDV Authorised Service Centre. This warranty complies with local laws and does not limit or exclude your statutory rights under the Consumer Guarantees Act. For full details, visit <https://ldv.co.nz/warranty/>.
