7 YEAR

LDV WARRANTY  
& ROADSIDE ASSIST

The new **LDV Deliver 7** is destined to shake up the mid-size van market in New Zealand. With its class-leading warranty, impressive cargo capacity, payload, comfort, safety, technology and value for money it offers a compelling option for any business looking to enhance its fleet.

## FEEL THE POWER

New Deliver 7 is powered by LDV's proven 2.0-litre D20 diesel engine, delivering 123kW and 390Nm through the front wheels. A 9-speed ZF gearbox ensures seamless gear shifts for optimal performance.

\* An 80-litre fuel tank ensures the Deliver 7 can stay on the road longer, while the 2,000kg max braked towing capacity gives drivers additional capability if needed.

DELIVER 7	VOLUME	PAYLOAD
SWB	6.3m <sup>3</sup>	1,295kg*
LWB	7.2m <sup>3</sup>	1,230kg*

## 10/10 FOR COMFORT AND ENTERTAINMENT

Your day doesn't have to be all work and no play, keep cool as you crank on the aircon and turn up the tunes. The 12.3" touchscreen infotainment display fitted in the dash, gives you access to radio, Bluetooth, Apple CarPlay® and Android Auto™, which are all ideal for making and taking calls or playing DJ with your own playlist via your smartphone. The cabin of the new Deliver 7 doubles as a practical and convenient workspace for the driver. Keyless entry and start, height adjustable driver's seat with manual slide, recline, lumbar support and armrest, all help take the hassle out of daily deliveries.

## CUSTOMISATION

Talk to us about colour choices, customisation, signwriting, parts and accessories – we'll see you right.

## HAVE IT YOUR WAY

The 90°/180° opening rear doors are ideal for loading pallets with forklift and can be fixed in place while the vehicle is on an incline to prevent them from being blown shut. Both rear doors also come standard with glass to ensure optimal rear visibility. Deliver 7 is also decked out with non-slip rubber flooring, and either six (SWB) or eight (LWB) tie-down points in the cargo area, a single-sliding door on the passenger side, and rear cargo lighting.

## KEY FEATURES

- 12.3" digital display with Apple CarPlay® & Android Auto™
- Adaptive Cruise Control with Stop/Go
- HD Rear View Camera
- Driver State Monitoring System
- Warranty 7-Years/200,000km\* (whichever occurs first)

Disclaimer: Safety technologies may not operate optimally under all driving conditions, operation and effectiveness depends on many factors. Driver is responsible for safe and attentive driving. Safety technologies are not a substitute for the driver's control over the vehicle. See owner's manual for complete details. Payload and tare weight figures are based on vehicle certification. It is the driver's responsibility to ensure: weight of fully loaded vehicles do not exceed GVM; front and rear axle load limits are not individually exceeded; the combined weight of the fully loaded vehicle (including tow ball download when towing) and trailer does not exceed the GCM; compliance to New Zealand towing regulations. Payload is the combined value of occupants, luggage, cargo, added options, accessories and tow ball download (when towing). Tare weight includes the vehicle with 10 litres of fuel and all standard equipment excluding occupants. Additional weights of optional features, occupants, luggage, cargo, accessories and tow ball download (when towing) must be taken into account when calculating payload and tare weight. When a genuine tow bar with wiring is fitted, and trailer is attached, parking sensors will be disabled.

\*The warranty is for a period of 7 years or 200,000kms / 160,000kms for EVs (whichever comes first), from the date of first registration, provided that the vehicle is serviced as per the maintenance schedule set out in the Service & Warranty Booklet. It covers manufacturing defects caused by factors such as design, assembly, and raw materials of the covered parts along with all-inclusive roadside assistance. It excludes routine maintenance, wear-and-tear items, and damage caused by misuse, accidents, or unauthorised repairs. Warranty claims require proof of purchase and service records. This warranty complies with local laws and does not affect your statutory rights. This is valid on all vehicles registered on or after 1 December 2024. For full details, visit <https://ldv.co.nz/warranty/>.
